Thanks for handing that off and sorry I won't make the subarea meeting, but I think most of my ideas or what I could have used for the chemical leak were discussed in the meeting we had with Suddha.

Hi Melissa –

I understand that you are helping us acquire a projector for OSC Sharma's upcoming seminar next Tuesday. Could you provide the projector to Suddha tomorrow at Debbie's sub-area meeting? Then Suddha could deliver the projector to the Wheeling office, thus saving me a trip downtown.

Thanks,
